Jamie Anderson  Singer - Songwriter - Parking Lot Attendant

Jamie Anderson has played her warm and witty songs in hundreds of coffeehouses, concert halls, colleges and festivals in four countries and forty seven states.

Her music has been featured on Good Morning America, the Dr. Demento radio show, NPR's Car Talk, and stations all over the world.

Laughter is a big part of Jamie's live performance. Her offbeat song intros and stories help keep the performance fun but don't be surprised when she delves into more serious issues.

She has eight albums including her newest, **Three Bridges**.

"...folk music of humor and compassion played by a charismatic woman."

--Gene Armstrong, **Arizona Daily Star**, Tucson
